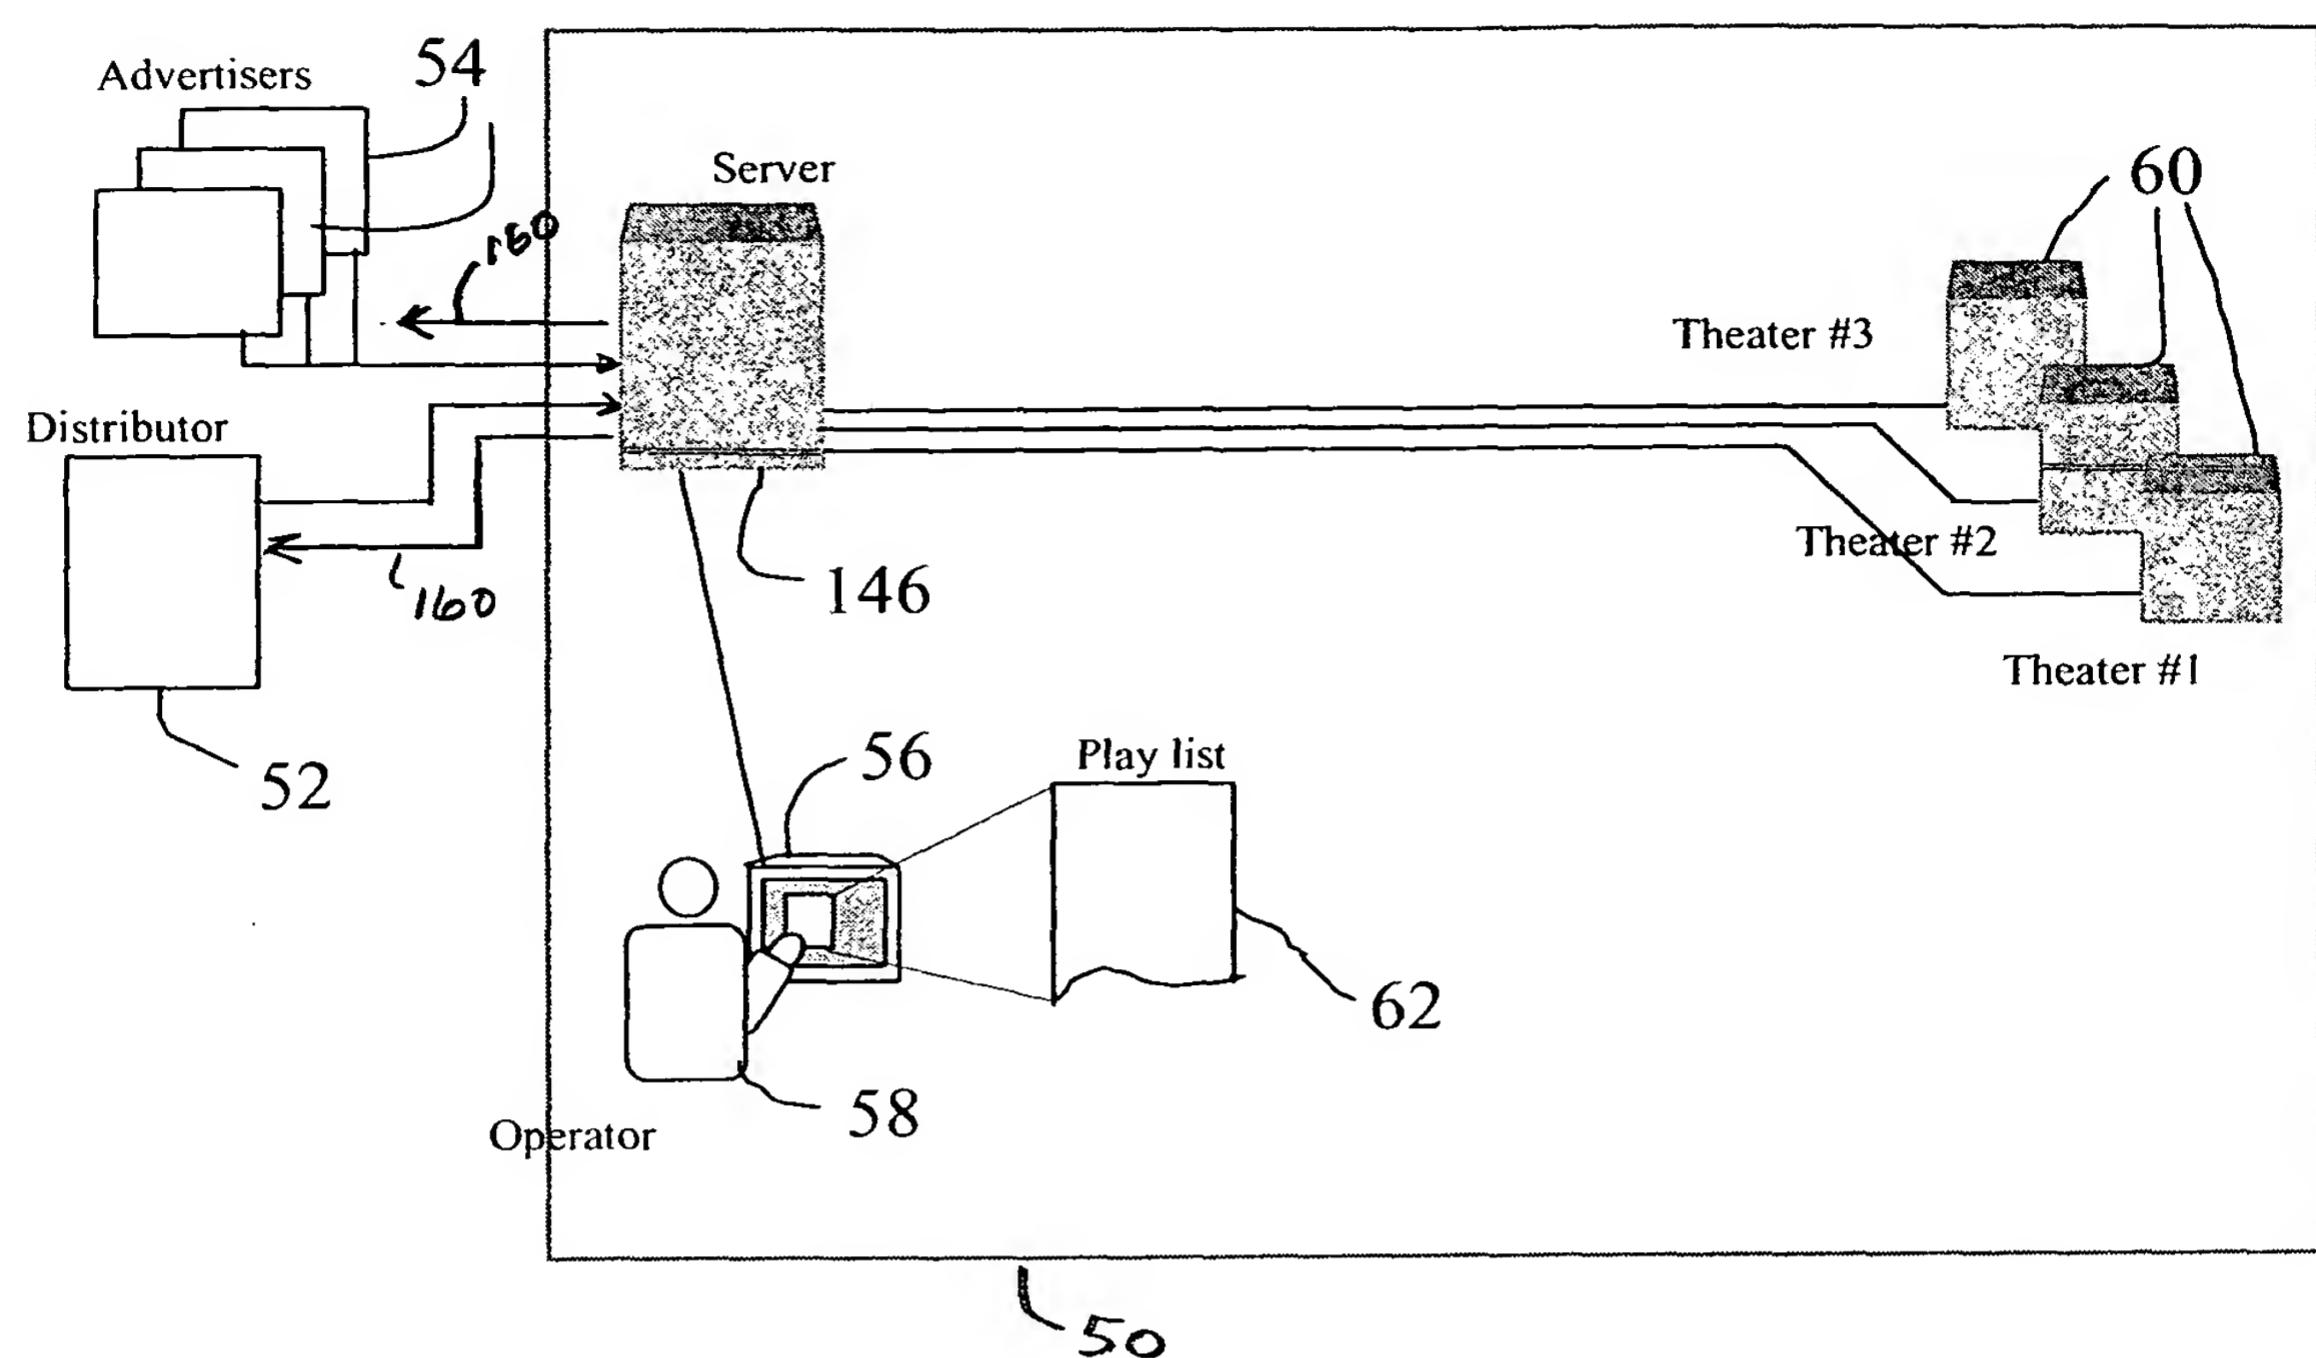

Fig. 3

The diagram shows a table with six rows, each containing three columns: Start Time, Duration, and Display. The table is enclosed in a rounded rectangular frame. Several numbers are used as callouts to point to specific parts of the table:

- 66 points to the left edge of the table.
- 68 points to the top edge of the table.
- 69 points to the right edge of the table.
- 64 points to the bottom edge of the table.
- 72 points to the bottom-right corner of the table.
- 62 points to the bottom-left corner of the table.

Start Time	Duration	Display
